LEON COUNTY
PUBLIC WORKS

Dear Mr. Park:

Re: Railroad Milepost: SP-787.75
Financial Proj. No.: 41414715701
Chaires Cross Road
Section 55630000; Leon County;
Parcel 2(55522-2601); Crossing No.: 625575A

The Department proposes to have Grade Crossing Traffic Control Devices installed at the existing Rail/Highway crossing as shown within the attached tri-party agreements. This project is currently scheduled for completion of negotiations by July 1, 2003. Your cooperation in having all documents authorized prior to that date will be appreciated.

For us to meet this schedule, please have these documents approved by your board of county commissioners and returned along with the resolution attached to the agreement. All three of the originals will be required for proper execution by the Department.

The work under this contract shall be performed in accordance with the provisions of the Federal Highway Administration's Federal Aid Policy Guide Subchapter B, Part 140, Subpart I, and/or Subchapter G, Part 646, Subparts B, as required. Should additional information or meeting with Department representatives be needed, please let us know.

Sincerely,

James T. Barfield
District Production Engineer
